LOT 93 - Hubbell RACO 1-Gang Metal New Work/Old Work Round Electrical Box

Shipping Available Yes

Description

Hubbell RACO 1-Gang Metal New Work/Old Work Round Electrical Box

New/ Like New open-box return.

Overview

RACO Decorator Round Floor Box Kit- the ultimate power solution for both new and old work installations. This kit enables power in open spaces where wall access isn't available. The floor receptacle box kit comprises a robust steel box, a nickel round cover, and a sleek low-profile receptacle. Specifically designed for hassle-free installation in wood floors, it effortlessly mounts to subfloor joists. The elegant silver metal cover seamlessly integrates with any flooring, while its watertight assembly

provides long-lasting durability. Resolve your power supply challenges with utmost efficiency and style.

- Recessed receptacle allows plug to be concealed
- Includes 15A, 125 Volt tamper-resistant receptacle
- Removable neoprene gaskets allow for independent use of either side of the receptacle with cover closed
- Height accessible adjustments after box is mounted

Quantity: 1
