Sunbelt 1/2-in x 109-in Deck Belt, for 42-in Multiple, Replaces OEM Part Number 75404045, 95404045, 754-04045, 954-04046

Model L75404045 - Open package new/ like new

Overview

Sunbelt is committed to designing and manufacturing the highest quality replacement belts to satisfy customer expectations by delivering the performance your equipment needs.

- OEM replacement belts are engineered to match all the specifications of the original equipment belt
- Replaces OEM 75404045, 95404045 Deck Belt; Fits MTD, Cub Cadet, White, Troy-Bilt, Craftsman, Yard Machines, Huskee
- 1/2-in x 109-in Wrapped Aramid Cord V-Belt; for 42-in mower decks
- This belt is manufactured using aramid cord for extra durability to withstand the heat, oil, and back idler pulleys often associated with outdoor power equipment
- Belts with aramid cord also offer high tensile strength, non-extensibility, and high resistance to shock loads
- Additional models that use this replacement belt can be found in the Belt Replacement Guide (see Guides and Documents tab)
- For detailed installation instructions, please refer to your operator's manual
- Contains 1 belt

Quantity: 1
