About this item

- **HANDS-FREE WRINGING:** Our exclusive mop bucket design features a built-in wringer that allows for hands-free wringing while Splash Guard keeps water splash and spray inside the bucket when wringing or when transporting the bucket from room to room
- **MACHINE WASHABLE:** The EasyWring Microfiber Mop Head is machine-washable and reusable! We recommend replacing the mop head refill every 3 months for optimal floor cleaning results
- **DEEP CLEANING MICROFIBER:** O-Cedar's EasyWring Microfiber Spin Mop & Bucket Floor Cleaning System uses millions of strands of advanced microfiber to effectively capture dirt and grime with just plain water, eliminating the need for harsh chemicals. Safe for all hard flooring, including finished hardwood, wood, laminate, tile, vinyl and more.
- **REACHES IN CORNERS:** Due to the patented triangle mop-head and ability to rotate 360 degrees, the EasyWring Mop can reach and clean deep into corners, under furniture, alongside baseboards, and between tile.
- **1 REFILL = 3 MONTHS OF CLEANING:** This offer includes 1 EasyWring Refill, and each EasyWring Microfiber Refill lasts up to 3 months! Save time and money with longer-lasting mop head replacements
- **HANDLE EXTENDS FULLY TO 48 INCHES:** With a telescopic handle that extends up to 48 inches, anyone can mop comfortably without bending over
- **CLEAN BETTER WITH A MICROFIBER MOP:** Our streak-free microfiber mops easily attracts and locks in dirt, dust, pet hair, grime, dried-on or sticky messes better than a traditional cotton wet mop. It can be used wet or dry for mopping or dusting. Do not wash with fabric softeners or bleach. Multi-purpose microfiber mop removes over 99% of bacteria with water.
- System includes EasyWring bucket, telescopic handle that adjusts to 4.25 ft (51 inches) and microfiber mop head
