LOT 98 - Project Source 1-Light Matte White LED Flush Mount Light

Description

Project Source 1-Light Matte White LED Flush Mount Light

Open package return.

Overview

- Low profile design with edgelit technology for even, no-glare light distribution.
- 5 selectable color temperatures to ensure the perfect light for every room of the home

- Integrated LED fixture providing 50000 hours of high quality light with no bulbs to change
- Acrylic diffuser provides even light distribution...no hot spots.
- High Color Rendering Index (CRI) provides high quality illumination so colors appear vibrant - very close to how they would appear in natural sunlight.
- Dimmable down to 10% light output without flicker or buzzing
- Compatible with most dimmer switches
- ETL listed for use in damp locations

Quantity: 1
