**LOT 209 - Kwikset SmartCode 260 Traditional Satin Nickel Keypad Single Cylinder Electronic Deadbolt Featuring**

**Description**

# Kwikset SmartCode 260 Traditional Satin Nickel Keypad Single Cylinder Electronic Deadbolt Featuring SmartKey Security

This looks to be an open box unit - never used. We did test it with 4 AA batteries it requires to power on.

## About This Product

Add a level of style and security to your home with the SmartCode 260 keypad electronic deadbolt. Designed with a beautiful traditional style to complement your home's interior, you can secure your home and never have to worry about keys. To gain entry, simply enter your personalized code, while locking is as easy as the touch of a button. SmartCode is easy to install, program and use and utilizes 4 AA batteries. It also features SmartKey re-key technology as the back-up keyway. The deadbolt is operated by electronic keypad and key outside and turn-piece inside. The crisp, clean appearance of the Satin Nickel finish reinforces the deadbolt's traditional design.

## Highlights

- Responsive keypad interface uses cool white LEDs for bright LED illumination for easy code access
- Fast and quiet motorized deadbolt provides 1-touch locking with a single touch of the finger
