LOT 213 - Arrow RT200MKIT Headless One-Handed Swivel Rivet Tool Kit

Description

KIT Headless One-Handed Swivel Rivet Tool Kit

Brand new in the package!

Overview

The Arrow headless one-handed swivel rivet tool kit features an innovative headless riveting design that automatically switches between three rivet sizes so you don't need to fumble with additional threaded inserts. The rivet tool features a compact one-handed throw for easy squeezing and freedom to hold materials while fastening.

This kit includes one rivet tool, four drill bits, 75 rivets in three different sizes, and a durable carrying case.

- The RT200M riveter kit is perfect for projects involving sheet metal, gutters, storm doors, and automotive repairs; this easy-to-use manual rivet gun tool set belongs in the toolbox of any professional or serious DIY-er
- The compact, one-handed operation of this rivet tool allows freedom to hold materials while fastening; the handle lock makes it easy to store the tool when not in use
- Rust-resistant powder coating provides a greater tool lifespan; the anti-slip handle ensures secure gripping and control while fastening
- The RT200M kit includes the RT200M riveter, four drill bits, 300 rivets, and a hard-shell protective storage case; the tool works with aluminum or steel Arrow rivets in 1/8-Inch, 5/32-Inch, and 3/16-Inch
