Shipping Available No

Description

Neverkink Max Teknor Apex 5/8-in x 100-ft Contractor-Duty Kink Free Vinyl Black Hose

This is a new hose that is missing the original packing. We water tested it and it works perfectly. \$65.00 retail.

Constructed for maximum strength and durability. Teknor Apex Neverkink MAX is the right 5/8-inch commercial hose for active job sites and new construction with two times the durability of rubber hose. This hose is manufactured with maximum abrasion resistance and superior UV protection that prevents cracking and pin holes resulting in

long lasting performance. The crush-resistant couplings with female brass threads helps prevent corrosion. Don't let your hose hold you back from a job well done. Hose design is the subject of U.S. trademark registration no. 5,526,464.

- 2X the durability of rubber hose
- Superior abrasion and puncture -resistance
- Greater UV resistance prevent pin holes and crack
- Crush-resistant couplings with female brass threads helps prevent corrosion
- Kink-resistant technology
- MicroShield anti-microbial protection
- 460 Burst
- Lifetime guarantee
- Made in USA
