## About this item

- **Efficient Surface Cleaning:** Tackle large areas like driveways, patios, decks, and sidewalks effortlessly with this surface cleaner; ideal for professional-level results in less time
- **High-Speed Performance:** Equipped with a rotary rod dual high-pressure jets, power washer cleans up to 8 times faster than traditional methods; 4 universal castors for smooth operation across surfaces
- **Durable Construction:** Made from composite materials, the surface cleaner is built to last; bristles and a built-in decontaminate screen at the inlet prevent debris buildup, keep the nozzles clean
- **Universal Compatibility:** Works seamlessly with 0.25 inch quick-connect capable wands; includes two 17-inch extension wands and is compatible with power washers rated from 2000 to 4000 PSI
- **Complete Cleaning Set:** Package includes the 15-inch surface cleaner, two extension wands, and two replaceable nozzles for efficient and thorough cleaning results with driveway pressure washer

**Quantity:** 1
