LOT 4 - It Takes Two (1970) - Factory Sealed Game Set!

Description

It Takes Two (1970) - Factory Sealed Game Set!

Made by Hasbro and is brand new in the box since 1970.

Description

Based on the original 1969-70 game show aired on NBC (see below), each round a trivia question is read. The questions are slightly different from most trivia games in that the answers are always numeric (such as "What is the area of Manhattan Island in square miles?"). Each member of each couple (or team), without conferring with their partner, writes down their answer.
