LOT 6 - Chain Letters (1970) - Factory Sealed Game Set!

Description

Chain Letters (1970) - Factory Sealed Game Set!

Made by Hasbro and is brand new in the box since 1970.

A category is chosen from one of the cards. The first player has 1 minute to write down a word related to that category. Subsequent players then have a minute to write down their own word, but their word must start with the last letter of the previous word (hence the "chain" part of the name). Points are scored based on how many letters are in the player's words.
