## About this item

- **UPGRADED PRO NAIL DRILL MACHINE** - Alles professional nail drill machine has exclusive location for six nail drill bits, easy to store these drill tips in case of loss. Max speed is up to 30000RPM. Apart from this, there is a handpiece cradle on the machine and a table stand, it is more convenient for you to take and use when doing manicure, which can greatly improve the efficiency and make countertop more tidy.
- **PROFESSIONAL AND FUNCTIONAL NAIL DRILL** - Alles Nail Drill machine is designed with 6pcs 3/32" replaceable nail drill bits and 106 pcs sanding bands for buffering, grinding, sharpening, sanding, polishing acrylic and gel nails, trimming thick natural toenails, and removing extension gels, cuticle and dead skin, which meets all nail beauty needs.
- **EASY TO USE** - The electric nail drill has forward and reverse rotation directions, it is easy to use both left hand and right hand. You can do your nails easily at home or on a travel. And the speed with a precise sliding control is adjusted up to 20000rpm. Suggest start with low speed. Operation for the nail drill machine is friendly for a beginner.
- **POWERFUL NAIL DRILL MACHINE** - The nail drill handpiece is made of aluminum alloy. It's designed with heat emission hole, which would creat less heat for long time operation, you won't feel hand fautigue. Low noise and low vibration, max speed is up to 20000rpm, it also works well with acrylic, gel and extension art nails, hard and thick nails. It's suitable for home personal use and salon. Pink, gold and black for options.
