Description

KOHLER Flipside Oil-Rubbed Bronze Handheld Shower 2-GPM (7.6-LPM)

Brand New in the box - never used.

Overview

With a fun, innovative design and four different spray types, Flipside delivers a unique and indulgent showering experience. This Flipside multifunction handshower features an elegant, versatile style and advanced ergonomics for easy operation. By flipping the sprayhead on its axis, you can seamlessly switch between four distinct spray types:

an enveloping coverage spray, a dense and soft spray, an exhilarating circular spray, or a targeted massage spray.

- With innovative Flipstream technology, the Flipside handshower dedicates a single sprayhead surface to each of the four unique sprays
- Changing sprays is as easy as turning the head on its axis
- Ergonomic design is easy to use, even with soapy hands
- Koverage spray delivers full-coverage spray for everyday showering
- Kotton spray releases a dense, luxurious downpour of water
- Komotion spray delivers a soothing, circular water pattern
- Kurrent spray offers a targeted massage to ease away aches and pains
- 2.0 GPM (gallons per minute) flow rate
- Requires K-8593 or K-9514 shower hose (sold separately)
