### Description

## Shark® Genius™ Steam Pocket® Hard Floor Mop System

**Brand new in the box - never used when purchased.**

The Shark Genius Steam Pocket Mop System is our most advanced floor system ever, with next-generation features like the Genius mop head with Touch-Free Technology, Dirt Grip pads, and Steam Blaster technology. The Genius Steam Mop not only cleans your floors amazingly well but also sanitizes sealed hard floors, when and where you need it. Its three-setting Intelligent Steam Control lets you customize the amount of steam for each cleaning task, while the completely redesigned Direct Steam Channeling system delivers steam directly onto stains, for excellent hard floor cleaning.

**Features:**

- The power of smarter cleaning is at your fingertips.
- Introducing our smartest steam mop ever.
- Whole Floor Cleaning: Direct Steam Channeling distributes steam throughout the pocket, creating an ultra-wide cleaning zone for your Dirt Grip Pads to absorb and trap dirt.
- Stuck-on Stains: Use your Steam Blaster for a powerful burst of targeted steam to attack tough, stuck-on messes and easily loosen debris from grout lines, crevices, and corners.
- Touch-Free Technology: Go hands-free after a thorough clean—with the press of a button, you can attach your Dirt Grip Pad to your mop or release it straight into your hamper
- There's clean and then there's steam clean: Steam not only lets you achieve clean sealed hard floors, but it also enables you to remove 99.9% of common household bacteria - without leaving behind chemical residue.
- Dirt Grip Pads: Dual-sided pads have super-absorbent, specially designed strips of gripping material that are woven throughout to lift and lock in dirt and deliver an amazing clean with fast dry times.
