### Description

## Emeril Lagasse French Door Air Fryer 360

**Brand new in factory sealed box - never used when purchased!!**

Elevate your everyday cooking with Chef Emeril's contemporary French Door Air Fryer, an endlessly versatile 10-in-1 air fry convection oven that opens up to a spacious 26-quart capacity interior that is large enough to accommodate full family meals.

### PRODUCT FEATURES

- Features a built-in air fryer oven, toaster, food dehydrator, and rotating rotisserie designed to take care of most of your cooking needs in just a few simple steps

- True Air Fryer Technology - a powerful spiral heating element works together with a large turbo fan to circulate hot air in the cavity for faster and more even cooking
- Simply choose your cooking function from 24 custom presets and the industrial-strength 360-degree air flow system delivers evenly cooked meals and snacks with a crisp, golden finish.
- 10-pc. chef's accessory set gives you every piece you'll need for different types of cooking.
- Premium stainless steel housing
