Shipping Available No

Description

allen + roth Peyton 24.5-in 3-Light Polished Nickel Mid-century Vanity Light

New in the opened box. \$80.00 retail.

The allen + roth 3-light polished nickel vanity light will update your bathroom with its versatile transitional design and warm illumination. The white metal shades shine up and down to fill your vanity space with light and can be mounted up or down depending on where you would need the most concentration of light. The fixture requires 3 60 watt A19 bulbs (not included), and is dimmable for desired illumination

levels when used with dimmable bulbs. UL listing demonstrates this product has met minimum requirements of the widely accepted product safety standards, and is damp rated for use in bathrooms and kitchens.

- Polished nickel finish bathroom vanity light adds a clean look
- Metal shades enhances your bathroom with a diffused glow
- Three 60-watt medium base A19 bulbs required (not included)
- Light is dimmable, so you can create your desired ambiance
- SGS listing demonstrates this product has met minimum requirements of widely accepted product safety standards
- Great for modern style decor
- Damp rated for use in bathrooms and kitchens
