DuraSteel 24" x 24" Stainless Steel Utility Sink - NSF Certified, Ideal for Commercial, Kitchen, Laundry, Garage

Brand new - never used with the box! Will require your own spout sold separate.

\$600.00 retail!!

- **Durable Stainless Steel Build:** Crafted from top-grade 18-gauge 304 stainless steel, our utility sink ensures long-lasting durability for kitchens, laundry rooms, and outdoor areas.
- **Food-Safe & Easy to Clean:** NSF Certified stainless steel sink ensures food safety standards, guaranteeing cleanliness and functionality. Ideal for busy areas like slop sinks and hand washing stations.
- **Stable & Adjustable:** Our sink features special secure stability leg support and adjustable feet for a wobble-free experience on uneven surfaces. Perfect for busy workspaces.
- **High Backsplash:** The high backsplash on our stainless steel utility sink prevents water damage and keeps walls clean, saving cleaning time and labor while maintaining a tidy and efficient workspace.
- **Lead-Free Faucet:** DuraSteel Sink features an NSF and CEC Certified faucet (Model No. F-HA-810S-28) for clean, safe water and eco-friendliness. Ideal for restaurants, bars, and green spaces.
