LOT 153 - CHICAGO ELECTRIC POWER TOOLS 7 Amp, 1/2 in. Impact Wrench with Rocker Switch

Shipping Available Yes

Description

CHICAGO ELECTRIC POWER TOOLS 7 Amp, 1/2 in. Impact Wrench with Rocker Switch

This is a new impact wrench in the original box.

Product Overview

This rugged electric impact wrench delivers plenty of power without the need for a compressor. Built with a cast aluminum nose for durability the lightweight, high impact housing on this electric impact wrench means less user fatigue. This electric impact wrench has a rocker switch for one hand forward/reverse toggle.

- Delivers 230 ft. lbs. of max torque
- Rocker switch for one hand forward/reverse
- Rugged cast aluminum nose with lightweight high impact housing
- High power 7 amp motor
