**LOT 156 - The Porter Cable FN250B Pneumatic Finish Nailer**

**Description**

# The Porter Cable FN250B Pneumatic Finish Nailer

**This nailer is used and comes with a case and nails.**

The Porter Cable FN250B is a 16-gauge, heavy-duty pneumatic finish nailer that can install 16-gauge nails that are 3/4-in to 2-1/2-in long. It has a maintenance-free motor, adjustable depth of drive and an internal piston catch for consistent power. It also has a streamlined body design for better grip and balance, a sturdy aluminum extruded magazine, and a non-marring nose tip.

**Quantity: 1**
