LOT 174 - 3 Tubes OSI Quad 10-oz Window and Door Bronze 201 Paintable Solvent Caulk

Description

3 Tubes OSI Quad 10-oz Window and Door Bronze 201 Paintable Solvent Caulk

Overview

Arm yourself against the elements with OSI QUAD Window, Door and Siding Sealant. OSI QUAD Window, Door and Siding Sealant is an all-season formula designed for superior caulking performance on exterior window, door and siding applications, fiber-cement and vinyl siding, PVC trim, and much more. It can be applied to wet or dry surfaces, even at freezing temperatures and, unlike other sealants, it resists dirt and dust collection, yellowing and water washout. OSI QUAD bonds without a primer to most common substrates like cedar, painted or stained woods, fiberglass, vinyl, coated aluminum, steel, metal, brick, masonry and concrete. With resistance to UV and

extreme temperatures (20 F to 120 F) and proven wet surface application, OSI QUAD is the versatile and durable choice for professional contractors. OSI QUAD is self-tooling and once cured is paintable with latex paints. Our color specialists work closely with leading window, door and siding manufacturers to ensure perfect color matches. OSI QUAD is composed of elastomeric polymers and high quality synthetic resins. OSI offers an arsenal of adhesives, caulks, and outdoor construction sealants for the true professional.

- All-weather sealant for caulking exterior/interior windows, doors and siding
- Strong adhesion to primary window, door and siding building materials
- 100% waterproof with proven wet and cold surface application
- Class 25 for long-term elasticity and durability in any condition
- Self-tooling formula saves time and provides professional finish every time
- Paintable to perfectly blend in with surrounding materials
- Superior resistance to UV, water, dirt, dust, and extreme temperatures (20 F to 120 F)
