Description

Harbor Breeze Armitage 52-in Matte Black with Black/Cocoa Blades LED Indoor Flush Mount Ceiling Fan with Light (5-Blade)

This is a new fan unit that will need a new glass globe replacement - can be ordered.

The Harbor Breeze builders series 52-in Armitage ceiling fan features a matte black finish, 5 reversible blades and light kit that includes an LED bulb.

- Low profile design to be mounted flush with the ceiling where more walk-through space is required
- Easy to use pull chains are included for quick adjustments to the 3 speed settings and on/off light control
- Frosted glass globe houses dimmable A15, E26 6.5w, 600 lumen LED bulb (included)
- Matte black finish complements the 5 reversible black or cocoa ceiling fan blades
- 52-in fan provides airflow up to 2263 CFM, making it ideal for medium to large sized rooms up to 400-sq ft
- Reversible motor efficiently circulates cool air in the summer and warm air in the winter, cutting down on energy costs
- Classic design transcends many styles of decor
