### About this item

- **SELF-RESETTING.** This A-series 5th wheel hitch features a unique, ergonomic handle and extra-wide head to make coupling your 5th wheel trailer easier than ever. After uncoupling, the handle self-resets to the ready-to-couple position
- **FULL ARTICULATION.** This 5th wheel hitch provides controlled towing of your 5th wheel camper with its patented head technology. The head is built on a cast yoke

with poly-torsion inserts that reduce shock loads, chucking and noise at the coupling point

- **COUPLING INDICATOR.** Built into this 5th wheel hitch is a 3-position indicator that shows the coupling status. It conveniently shows if the 5th wheel hitch is coupled, uncoupled or ready to tow
- **TESTED STRENGTH.** This 5th wheel hitch is tested and rated for 25,000 lbs. gross trailer weight and 6,250 lbs. vertical load (limited to lowest-rated towing component). It is tested according to SAE J2638 specifications
- **VERSATILE FIT.** This 5th wheel hitch includes the hitch head only. It is designed to mount onto a 5th wheel roller or legs (sold separately)
