**Shipping Available** No

**Description**

**Harbor Breeze Camden 52-in Matte Black with Mocha/Cocoa Blades Indoor Ceiling Fan with Light and Remote (5-Blade)**

New in the original box. There is a couple of scratches on one of the blades ( black side ) that can easily be touched up. \$160.00 retail today.

- Fully integrated LED board (1200 lumens, 17 watts) has the power to light up any room and is also dimmable

- Remote control included; control the 3 speed settings and light output of your fan with an easy-to-use handheld remote control
- This fan can be hung indoors from standard or angled ceilings using the 4-in downrod that is included
- Matte black finish ceiling fan from the Camden collection features 5 reversible mocha/cocoa blades so you can choose the right look for your home
- With a blade span of 52 inches and airflow up to 4579 CFM, this fan is perfect for medium to large sized rooms
- Quiet, reversible motor efficiently circulates cool air in the summer and warm air in the winter, cutting down on energy costs

**Quantity: 1**
