About this item

- Kova cabinet is a beautiful modern boho-chic piece with a natural color palette made of black oak wood finish and 2 swinging cane door fronts to keep your house clutter-free.
- The sleek and space-saving design of this sideboard or accent cabinet will add character to your room in minutes.
- The storage cabinet features adjustable interior shelves that make it easy to tuck away storage and organize the room. With two swinging doors, this cabinet offers plenty of hidden storage.
- Use it in your entryway to greet guests, in the living room to display your record player, or in your dining room as a spot to hold dinnerware.
