Description

Alpine Muffy Kids - Noise Cancelling Headphones for Kids - CE & ANSI Certified - 25dB - Sensory & Concentration Aid - Pink

New in original box.

- Silicone-free, ultra soft and light-weight material
- Imported
- PREVENT HEARING DAMAGE | Research shows that 1 out of every 8 kids is left with permanent hearing damage due to exposure to loud sound. Party, concert, airplane, parade, event, race and fireworks? It gets dangerous quickly, and noise cancelling headphones for kids are essential.
- SENSORY HEADPHONES FOR AUTISM | Muffy Kids is perfectly suited for kids with autism or sensory issues. The noise reduction helps with sensory overload and other external triggers.
- DESIGNED FOR KIDS AND APPROVED BY KIDS | The premium materials are soft, easy to clean and more importantly very comfortable. The adjustable headband provides a snug fit around the ears.
- TESTED AND CERTIFIED | Thoroughly tested and proven to reach an acoustic attenuation from 21 to 28 dB in accordance with US & EU Regulations. These sound proof headphones for kids are easy to bring as they are lightweight and comes with a free travel bag.
- AWARD-WINNING DUTCH DESIGN | Alpine is an innovator and leader in quality hearing protection with 25 years of R&D experience. All products are designed and made in the Netherlands. The Muffy Kids noise cancelling ear protection has won the 2021 Red Dot Design Award!
