Description

Gerber Big Rock Camp Knife Fixed 4.5" Bead Blast Plain Blade, GFN Handles, with Sheath - 22-01589

This knife is like new, and comes with a leather sheath that is not original to the knife. This is a discontinued product.

Overall Length: 9.4"
Blade Length: 4.5"

From the manufacturer:

Although the Big Rock is an outstanding hunting knife, Bill Harsey designed this fixed blade to be an excellent all-purpose camping knife. The entire tang drop point blade comes in both fine edge and the ergonomically shaped glass-filled nylon handle uses a Softgrip over mold with textured grip points for maximum comfort and control. A finger guard protects, and the lanyard hole is compatible with a 550 cord.

- Textured SoftGrip overmold ensures a secure grip
- Ergonomic contoured handle
- Full tang, fixed blade
- Lanyard attachment
- Nylon sheath includes protective insert
