\$500.00 retail!**

## About This Product

Easy, breezy and ready for you, this bed is the epitome of rest and relaxation. Invite this king canopy bedframe to your abode and craft the sanctuary you've only dreamt of, with its cool, coastal silhouette and subtle boho vibe. A responsibly sourced solid pine wood build means not only is this piece sustainable, but it will last through all your morning lounging and nightly slumbers for years to come. Whether you drape a curtain over the stunning canopy feature or leave it bare, this bed is just the comfy, cozy addition that'll make styling your space as easy as its 90-minute assembly.

## Highlights

- Modern, boho style
- Simple slatted headboard
- Made with solid pine wood and warp-resistant MDF
- Support slats included; no box spring necessary
- Fits standard king mattresses
- Center support rail for added stability
- Mattress not included
- Assembly is required

**Quantity:** 1
