## About this item

- **SECURE FIT:** Sure & Secure Suction Cups on the arms keep the Summer by Ingenuity My Bath Seat in place during tub time
- **EASY SET UP:** To install, simply extend the rear arm and place in bathtub opposite the faucet, position and lock rear suction cup, as well as both side suction cups
- **HANDS-FREE DESIGN:** My Bath Seat provides baby with 360 degrees of all-around stability and support, freeing up your hands to clean and play; Dimensions: 16.5 x 15.5 x 9.5 inches
- **SUPPORTIVE BACKREST:** A high and sturdy backrest gives your baby support; for infants ages 5-10 months who can sit up unassisted but who cannot yet pull up to standing
- **RECOMMENDED TUB SIZE:** Fits standard rectangular bathtubs 21-24 inches wide; not for use in non-rectangular, oval, jacuzzi, or whirlpool-style tubs; only use one seat in the tub at a time

**Quantity:** 1
