About this item

- **Harness & Detachable Protective Net** The 5-point safety belt protects the baby's safety, and the fabric is skin-friendly and soft. The removable protective net isolates dust and mosquitoes. Hanging small dolls can enhance the baby's fun and train the baby's grasping reaction.
- **Scientific 5 Multiple Sway Speeds** The baby swing for Infants features the 5 unique swing speeds: 18° 21° 23° 25° 31° to comfort your baby. Ergonomic 25° spine tilt design takes care of your baby's spine growth. Suitable for babies 5-20 Lb, 0-6 Months.
- **Bluetooth remote control & timing** Bluetooth connection to mobile phone to play nursery rhymes without restrictions; the remote control allows you to take care of and comfort your baby remotely, and three timing modes save adults' energy.
- **Quick installation & convenient life** Quick installation & convenient life It only takes five minutes for one person to install, and it is easy to disassemble and small in size. The seat cushion can be removed and washed to keep it hygienic.
- **Modern and Trendy Design** Streamlined arc design appearance and easy-to-clean soft washable seat cover make this swing a favorite of mom
