Shipping Available Yes

Description

allen + roth Latchbury 10-in Bronze Touch Uplight Table Lamp with Glass Shade

This item came in the manufacturer's retail box. We removed it to inspect the glass. No bulb included

Overview

A modern flair is exactly what this lamp brings to your living room, bedroom, or office. The lamp's warm neutral tones go well with most color palettes, and its size and shape make it perfect for small spaces. The lamp offers a touch switch, so you can control the

level of lighting and set the mood for any occasion. Give your work space some unique character by using it as a desk lamp, or go for a contemporary look in the living room. No matter where you place it, this lamp will illuminate the room in a soft glow, and give it a little extra sparkle.

- Bronze finish base offers a modern look
- Features a hammered clear glass shade
- 60 watt maximum A19 bulb recommended (not included)
- Convenient touch switch allows you to choose from three levels of light
- Measures 4.75 W x 10 H

Quantity: 1
