Shipping Available Yes

Description

Elk Ridge Fixed Blade Knife ER-299D

This knife is new and comes in the original box.

- **HIGH-QUALITY MATERIALS:** Made from quality materials. 3CR13 satin finish stainless-steel clip point blade provides an excellent hardness and corrosion resistance balance.
- **OUTDOOR EVOLVED:** Where the outdoors meets the gentleman's carry. Combining traditional and non-traditional materials creates handsome and unique combinations that redefine the category.
- **DEPENDABLE:** Provides consistent razor-sharp cutting performance and high durability. A knife you can count on for camping, hiking, backpacking, hunting & fishing, the outdoors, military & tactical needs, DIY activities, survival, self-defense, and emergencies.

- DIMENSIONS: 3.25-inch Satin Finish Stainless Steel Fine Edge Clip Point Blade, 3.75-inch handle, 7-inches overall.
- SPECIAL FEATURES: Fixed Blade Knife, Full Tang. Delrin Handle, Includes 1680D Nylon Sheath.

Quantity: 1
