\$200++ retail today!

CSic84 Frameless Flush Mount In Ceiling Wired Speakers

Full Range sound coverage with 3-way woofer, midrange and tweeter configuration

8" High Rigidity Poly cone woofers with progressive spiders and butyl rubber surrounds

Mylar midranges and .5" mylar tweeters

3-Way Passive Crossovers for greater fidelity

Frequency response is 40Hz-20 kHz with 95dB at 8ohm

Pressure Lock Mounting System clamps tight to drywall with No Hardware Needed

Fits round speaker hole size of 10.16" with a mounting depth of 4.06"

Overall speaker size of 10.94" with Spring Loaded raw wire connections

Paintable edge-to-edge grills magnetically attach over the frames giving a frameless appearance
