**Description**

**William C. Johnson Sword Cane - Snakewood, Ivory Head, Damascus Steel**

Just a fantastic example of his work with this extremely high end piece! This has a damascus steel sword with 3 sides that measures 12" in length. Overall length measures 36.50" long.

This comes like new condition and the blade is signed. There is also a soft sided carry case to convey with this cane.

This retailed originally over \$1500.00 when purchased several years ago.

**Quantity:** 1
