About this item

- The Kit Includes: (4) 7ft/200cm Light Stands, (2) Single Head Light Holders, (4) 24W 5700K LED Bulbs (total equivalent to 800W regular incandescent bulbs), (2) 33"/84cm Umbrellas, (2) 24" x 24"/60cm x 60cm Softboxes, (3) 1.8m x 2.8m/6ft x 9ft Polyester Backdrops (Black/White/Green), (6) Backdrop Clamps, (1) 2.6m x 3m/8.5ft x 10ft Background Stand Support System, a Carry Bag for Background Support System, and a Carry Bag for Continuous Lighting Kit
- The 79" (7ft) / 200cm Light Stands are stable and capable of heavy duty work. Designed with 3-section telescopic legs and single action locks for quick height adjustment. Includes 2 Single Head Light Holders allowing you to attach a light bulb and umbrella to each stand.
- The 33" / 84cm White Translucent Umbrellas can soften and broaden the light output of any studio light or flash source. The kit comes with four 24W 5700K LED Bulbs, each equivalent to a 200W regular incandescent bulb, with a color temperature of 5700K. Ideal for photography lighting
- The 24" x 24" / 60cm x 60cm Softboxes effectively diffuse the light to give you even illumination for the best shots possible. Equipped with a E26 light bulb socket, you can connect a light bulb directly to each softbox, or use them with other lights or flashes.
- (1)1.8 x 2.8M/6 x 9 ft Polyester Backdrop(Black,White and Green)+(6)Backdrop Clamps+(1)2.6M x 3M/8.5ft x 10ft Background Support System:The background kit is ideal for television, video production and digital photography.(1)Continuous lighting kit carry case+(1)Background support system carry bag: Great for transporting light stands, umbrellas, and other accessories.
