LOT 144A - Rockdale 43.8 in. Black Steel Fence Panel (3-Pack)

Description

Rockdale 43.8 in. Black Steel Fence Panel (3-Pack)

New! The number of included stakes is incomplete.

About This Product

The Rockdale fence is a versatile fencing solution that will add style and elegance to your garden or walkway. The panels feature a powder-coating for added durability and to help prevent corrosion so your fence will last for years to come. The panels are quick, easy, and painless to install, no digging or concrete is required for installation. Panels lock together using the quick connecting latch design and easily anchors into

ground with the post spike. Includes 3 panels and spikes. Compatible with the Rockdale gate (sold separately).

Highlights

- Durable powder-coated finish helps prevent rusting and stands the test of time and weather
- Panel mesh becomes smaller at the bottom to help deter pests
- Spiked feet hold fencing system securely in place
- Quick and easy to install- no digging or concrete required for installation
- Install panels by driving the post spike into the ground and attach the post to spike
- Panels join together with quick connecting latch design
- Rockdale fence is ideal for fencing in your garden, accent fence and much more
- Each panel is 3 ft. W
- 3-panels included
- Compatible with the rockdale gate (model # 860442), sold separately
