About this item

- Relief for the Post-surgery Healing Process --- This inflatable dog collar is a perfect alternative to a traditional dog cone, providing enough support to prevent your pet from licking, scratching or biting the wound site. And allow your pet to eat, drink, and sleep normally, which is good for recovery.
- Adjusts to Fit Your Specific Dog Neck Size --- Katoggy inflatable dog cone collar features an adjustable velcro strap, making it can be easily adjusted to fit your dog's neck and ensure a secure fit that won't come off easily.
- Size Suggestion --- Size XL, which fits for neck circumference 18 inch to 24 inch. Measure the size of the pet's everyday collar, it would get the most suitable size. X-Large size inflatable dog cone recommended for Labrador, Rottweiler, Golden Retriever, German shepherd dog, Boxer, etc.
- Lightweight and Comfortable --- Katoggy inflatable dog collar is lightweight and soft. Inflatable PVC inner and soft outside skin-friendly plush material design will let your dog wear it comfortably and does not block your pet's vision. Your dog will not feel oppressed or nervous when wearing this dog cone collar, allowing your furry friend to eat, drink, lay, sit and play comfortably.
- Easy to Clean and Store --- With zipper opening, you can easily take the PVC inner out and it's a breeze to wipe clean. The outer plush cloth is machine washable. You can deflate it and store it in a small space when you do not use it.
