LOT 42 - Sennheiser HDR120 Wireless Audio Ear Phones

Shipping Available Yes

Description

Sennheiser HDR120 Wireless Audio Ear Phones - Pre-Owned and in very good condition with manual!

The **Sennheiser HDR 120-W** headphones are a premium addition to your home audio system, offering crystal-clear sound and wireless convenience. Ideal for TV, music, or any audio experience, these headphones pair seamlessly with the RS 120-W transmitter system for personalized listening.

Key Features of the Sennheiser HDR 120-W:

1. **High-Quality Sound:**

Three selectable sound modes—Speech, Music, and Neutral—provide tailored audio clarity for various needs.

2. **Long Wireless Range:**

Move freely up to 60 meters (197 feet) from the transmitter without losing sound quality.

3. **Comfortable Design:**

Lightweight with plush ear pads for extended wear during movies or music sessions.

4. **Rechargeable Batteries:**

Integrated batteries charge on the TR 120-W transmitter dock for ease of use.

5. **Simple Setup:**

Hassle-free connection with RCA stereo or analog inputs.

How to Use the Sennheiser HDR 120-W:

1. **Connect the Transmitter:**

Plug the TR 120-W transmitter into your TV or audio source using the included cables.

2. **Charge the Headphones:**

Dock the HDR 120-W headphones on the transmitter cradle for charging.

3. **Select Sound Mode:**

Choose from Speech, Music, or Neutral sound modes to suit your listening preference.

4. **Enjoy Wireless Audio:**

Wear the headphones and experience uninterrupted audio freedom across your home.

Benefits of Sennheiser HDR 120-W:

1. **Personalized Listening:**
Adjustable sound modes let you enjoy dialogue clarity, enhanced music, or balanced audio.
2. **Wireless Freedom:**
Move around your home without being tethered to a device.
3. **Comfortable for Long Sessions:**
Ergonomic design ensures comfort for extended listening.
4. **Ideal for Multiple Listeners:**
Add additional HDR 120-W headphones for shared listening with family members.
