LOT 236 - CVS Health Talking Upper Arm Blood Pressure Monitor, Factory-sealed

Description

CVS Health Talking Upper Arm Blood Pressure Monitor, Factory-sealed

From CVS:

"This blood pressure monitor utilizes advanced technology that has been clinically proven to meet the requirements of ISO 81060-2 Standard for accuracy. Our CVS Health® Talking Blood Pressure Monitor offers accurate readings in a portable, lightweight device. Track your blood pressure and manage your overall health with this fully automatic monitor that reads and records your blood pressure with just the touch of a button. It's easy to get your results with an extra large LCD display and a unique voice feature that reads results to you."
