About this item

- Vehicle Fitment: (FIT multiflex tailgate but NO CarbonPro Bed) Custom-made to fit 2010 2011 2012 2013 2014 2015 2016 2017 2018 2019 2020 2021 2022 2023 2024 2025 Chevrolet Silverado GMC Sierra 1500 2500 3500 hd 8ft (97.8") long bed, ensuring a snug and secure fit.
- Fiberglass Material: This material is chosen for its strength and ability to withstand harsh weather conditions, ensures longevity and resistance against wear and tear, even hailstorms won't leave any dents.
- EZ Install&Remove: Designed for easy installation without requiring complex tools or modifications to the truck, come with a clamp-on & no-drill installation process, allowing for hassle-free attachment and detachment.
- Added Security: With durable and tough construction, reinforced hinges and strong latches, locking mechanisms ensure that the cover remains securely closed at all times, making it challenging for thieves to compromise the cover.
- Enhanced Fuel Efficiency: Sleek and aerodynamic design resulting in improved gas mileage, remains stable even at highway speeds, without any flapping or bouncing compared to soft top covers.
