**LOT 104 - Chandler Tool CT60 Standard Size Stand Up Glue Gun**

### Description

## Full Size Hot Glue Gun for Construction, DIY & Crafts, Chandler Tool 60W High Temp Large Glue Gun with Stand-Up base & 12 Glue Sticks, Perfect for Home Repair, Arts & Crafts, Blue

New in the factory packaging.

### About this item

- Stand-Up Base - With a stand built right into the handle, our hot-glue gun is always standing up, ready for action! No more laying down on the job (and no more sticking to the table!)
- Heavy Duty - 60 watts of power & large-diameter glue sticks to knock out those big construction jobs that 10-20 watt mini craft guns and small-diameter glue sticks simply can't
- Drip-Free - In addition to pioneering the stand-up base, Chandler Tool is the leader in no-drip technology. Less Waste. Less Mess. More work!
- Glue Included - 12 high quality 8" long clear full size (7/16") glue sticks included. Beware other glue guns with mini (5/16") or short (4") low-quality glue sticks!

**Quantity: 1**
