

Sale Name: Noteworthy Military, Firearm & Collectible Simulcast Auction

LOT 18 - 1960 M44 Mosin Nagant (Inert)

Shipping Available Yes

Description

Believed to be a Chinese-made Mosin Nagant. This type was used by the NVA and Viet Cong during the Vietnam War. It is bolt action and fires a 7.62x54mm rimmed rifle cartridge. It has a five-round magazine, a nice hardwood stock, and a folding spike bayonet. Measurement: 40"L (overall). Serial number B4086. Age related wear. The barrel has been filled with some type of metal material.

Quantity: 1
