Shipping Available No

Description

Kobalt QUIET TECH 26-Gallon Portable Electric 150 PSI Vertical Air Compressor

This is an open box unit with the motor running perfectly as new. There seems to be an air leak coming from one of the hoses that keeps the tank from filling.

Retails at \$419.00 today at Lowes!

This 26 gal air compressor equipped with 1.8 HP 4-pole induction motor and dual oil less pumps provides high air flow of 4.5 CFM at 90 PSI with 150 max psi, much quieter operation and at least two times longer than standard compressor, perfect for garage, jobsite works with capable of driving all kinds of nail guns, impact wrench, ratchet, spray gun, surface preparation tools etc.

- 1.8 horsepower 4-pole induction motor with two oil less pumps for quiet running, longer life and less maintenance
- Integrated control panel with two gauges, a regulator and two quick couplers for easy operation
- Reinforced frame to well protect the pump/motor
- Power cord storage wrap
- Hose management design
- Ball valve for easy operation
- Heavy-duty semi-pneumatic wheels with metal hub and strong handle with grip for mobility
