Description

Harbor Breeze Bradbury 60-in Integrated LED Downrod or Flush Mount Bronze with Hickory/Walnut Blades Ceiling Fan With Light - Remote Included (6 - Blade)

This is an open box unit - we inspected it and look like everything is in the box. I do not see any damage to the unit. \$219.00 retail.

Un-tested unit as we can not test these prior to sale.

This striking black ceiling fan from the Bradbury collection brings a touch of class to your home. Contemporary styling lends itself to many different decors. This fan features a maintenance free LED light kit to ensure maximum performance and efficiency without compromising style.

- Features a dimmable 18W integrated LED light kit that has 3000k color temperature.
- Only suitable for indoor locations.
- At 60-in diameter, this fan is ideal for great rooms larger than 400 sq ft.
- 3-speed remote control included for convenient usage.
- Tri-mount installation for downrod use with flat or angled ceilings (6-in downrod included) or use without downrod for lower ceilings.
- Reversible motor allows for changing the fan direction seasonally to push cool air down in the summer, or distribute warm air evenly in the winter.
- Reversible blades to match your style in any room.
- This fan provides a CFM of 5774 on high speed.
