**LOT 173 - Kobalt Cordless Pet Stick Vacuum Cleaner with 2 Batteries**

**Description**

**Kobalt Cordless Pet Stick Vacuum Cleaner  
(Convertible to Handheld)**

**This vacuum comes with 2 batteries and a charger. The accessories are still in the original packaging, and it runs! The control handle and dust bin appear gently used, but only because they are a bit dusty. It comes in the original box.**

- Powerful Suction Performance - Up to 170 Air Watt in TURBO mode
- Patented Hair Cutting Technology - Automatically cuts through long hair to prevent hair wrap on the roller

- High-speed Brushless Motor - Provides up to 125,000 RPM which produces high suction power and up to 80 minutes run time on eco mode with the two 2.0Ah included batteries.
- 5-Layer Filtration System captures 99.97% of dust particles - Designed with 12 cyclones maximizes particle collection efficiency and prevents clogging of HEPA filter for long lasting performance
- One-touch Button - Easily releases dust bin for quick clean up
- Infrared Particle Sensor - Detects the dust level and automatically adjusts power output when in AUTO mode, giving the perfect balance of runtime and performance
