Description

allen + roth 44-in to 72-in Brushed Nickel Fixed or tension Single curve Adjustable Shower Curtain Rod, See Description

This shower rod arrived in an open box, and it was missing screws and instructions. The rod has a few scuffs from shipping.

- Brushed Nickel finish fits in well with many bath décor and hardware styles
- Adjustable rod expands between 44in to 72in
- Curved design adds up to 6.5in of extra shower space

- Rustproof aluminum construction provides long-lasting use
- Dual installation option of permanent and tension
- Easy to install: instructions included for both installation methods
- If you choose permanent installation, the wall needs to be drilled with 1/4 "hole size
- 1in rod diameter fits most hooks
