### **Description**

## **Project Source Dover 24-in Navy Blue Single Sink Bathroom Vanity with White Cultured Marble Top**

**This is a brand new open box unit - never installed - perfect condition!**

Update your bathroom with this 24.5-in navy blue vanity with single-sink top. This dark navy blue bathroom vanity features a Shaker-style profile that's accented by a soft white vanity top with a 2.39-in H integrated backsplash and round brushed nickel door

pulls for a contemporary look that will complement any style. This 2-door bathroom vanity includes an open cabinet interior in white that provides flexible storage space and easy access to your plumbing. And at 24.5-in W x 18.63-in D x 35.38-in H, this pre-assembled bathroom vanity is ideal for adding style and storage in small bathrooms and powder rooms.

- 24.5-in W x 18.63-in D x 35.38-in H transitional navy blue bathroom vanity with a soft white single-sink vanity top
- 6-way adjustable cabinet hinges provide easy cabinet door alignment after installation; see video in image carousel
- Soft white vanity top features an integrated backsplash and an undermount oval sink and is predrilled for a 4-inch centerset faucet, faucet sold separately
- 2-door under-sink cabinet provides open storage space and easy access to plumbing
- Cabinet is finished in deep blue, a dark navy blue laminate finish, with a white interior
- Full-overlay Shaker-style doors are accented by brushed nickel hardware for added convenience and style
- Constructed of laminated engineered hardwood for lasting durability
- Easy-to-clean nonporous cultured marble vanity top resists bacteria, mold, and mildew
- Pre-assembled with an open back and unattached sink top for easy installation for both DIY-ers and contractors
