LOT 14 - Antique 1860's- 1880's Adjustable Recliner Chair with Side Tables

Description

A very unusual to see piece here with this multi-purpose chair. This has a manual bar adjustment at the rear of the seat back to recline back as you see fit. It has a hidden pull out ottoman (see pics) and dual flip up side tables. This is upholstered and in very good condition!! Other than a couple of modern pieces of hardware, this piece looks to be all original.

Makes a great designer piece or conversation piece!
Measures 25" wide.
