Description

ENHULK Model No. EHT29001196 Drywall Sander

This is a brand new unit in the original sealed box. Never used when purchased.

About this item

- **7.2-Amp POWERFUL MOTOR** Enhulk drywall sander is designed to meet DIYers and professionals and powered by a 7.2-Amp(900W) motor that offers better performance and easy sanding, ideal for grinding drywall, popcorn walls, mudded walls, knockdown texture walls, orange peel walls, and clearing floors.

- **6-LEVEL VARIABLE SPEED** Enhulk adopts a 6-level variable speed trigger and allows you to simply adjust speed anywhere from 800 to 1800 RPM to meet the needs of the project at hand. The sanding effect can be optimized and adjusted according to your needs.
- **LIGHTWEIGHT AND COMPACT** The lightweight 9-pound body telescopes with extendable aluminum handles reach lengths up to 5.6-feet away, and meet you to sander conveniently on different occasions while the foldable design allows for simple storage and transportation.
- **AUTOMATIC DUST REMOVAL** The power-head brush cowl contains sanding dust and the self-suction system carries it away with a 13ft dust collection hose. It allows you to adjust the suction power through 6 levels, provides a 55 CFM Max of air volume, captures 92.5% of particulates 0.5 microns and larger, and minimizes clean-up.
- **EXCELLENT DESIGN** With a 90° pivoting head that swivels in all directions, the Enhulk drywall sander automatically adjusts to be flush against every surface that crosses its path. The hook tension spring can fix the head of the sander, which is easy for ceiling sanding.
- **EASY TO OPERATE** This drywall sander equipped with 6 combination-grit sanding discs can meet your kinds of grinding needs. Detachable sander base designs easily for sanding ceiling corner and wall right-angle. The double-deck LED strip lights make this drywall sander also suitable for dark workplaces.
