LOT 81 - CAT CJ3000 Professional Jump Starter Peak Amp Battery Booster, Built-In Power Switch, Battery Clamps

Description

CAT CJ3000 Professional Jump Starter 2000 Peak Amp Battery Booster, Built-In Power Switch, Battery Clamps, Yellow

New old stock in a rough box.

About this item

- Delivers 1000 instant starting amps/2000 peak battery amps; Quickly powers most 12V batteries up to V8
- AGM (Absorbed Glass Mat) internal battery delivers superior performance, even in extreme heat and cold weather environments
- Industrial-grade metal clamps are powder-coated and spark-proof; Equipped with a built-in power switch to ensure safe operation
- Tough, rugged housing offers increased durability; 48" of heavy-duty, 4 gauge battery cables provide better power transfer and longer reach
- Features 12V DC accessory outlet, a reverse polarity alarm and indicator light, an emergency flasher, and a LED area light

- Fit Type: Universal Fit; Please refer to user manual for operational guidance and troubleshooting steps as needed
- Conveniently charge the unit with the integrated charging cube using your own household extension cord (not included)

Quantity: 1
