LOT 55 - Cen-Tech 10/2/50 Amp 12 Volt Battery Charger / Engine Starter (New)

Shipping Available Yes

Description

Cen-Tech 10/2/50 Amp 12 Volt Battery Charger / Engine Starter

This is a brand new with original box unit - still factory bagged. The box is a bit crusty from being in the garage, but I inspected it and it is a brand new unit inside.

Quantity: 1
