Description

Suncast Interlocking Border Edging - Stone -Like Poly Construction for Garden, Lawn, and Landscape Edging - Water Resistant Border for Containing Trees, Flower Beds, and Walkways - Light Taupe -Gray

Open box with new edging.

About this item

- **EASY INSTALLATION:** Sections of edging simply slide together and can be tapped with a mallet, which eliminates digging
- **DURABLE:** Poly construction is sturdy and weatherproof to last for season after season
- **DECORATIVE:** Taupe-gray stone design adds a flair to your garden or backyard
- **CONTAINMENT:** Use to keep weeds, grass, and stray hoses out of your gardening beds

- VERSATILE: Edging can be made to create curves around trees or 90 degree corners around flower beds

Quantity: 1
